By Laura Griffin This was for my step father who is a master a crosswords, he loves these and they are hard to find. 1 of 1 people found the following review helpful. I Loved It! By J Scott Morrison I guess you would have to say I'm a New York Times crossword puzzle fanatic. But because this book was edited by Fred Piscop, known to me from his occasional puzzles at the Times, I decided to give this collection a try. Well, I was amply rewarded. These are moderately difficult Sunday puzzles (and you know what I mean if you do the Times Sunday puzzles) which are just enough different from those in the Times that they represented a pleasant challenge for me. Piscop's sense of humor, as seen in the definitions, is unique (and different from that of the NYT's Will Shortz) and I literally found myself laughing out loud at times. NYTimes crosswords. Was really looking forward to the same or higher level of difficulty and originality. Unfortunately, this didn't have it. You would think that puzzles published in DC by such a well respected paper would offer a more challenging bit of entertainment.

Another volume from our popular, long-running Washington Post crossword series. 50 Sunday-size puzzles that offer solvers a bit of a challenge Liberal doses of wordplay, contemporary vocabulary, and original themes Crosswords by many of today's top constructors[PuzzleMeter: DifficultyMedium to Hard; StyleMiddle-of-the-Road to Contemporary]

About the AuthorExpert puzzle constructor and editor Fred Piscop is known for his clever themes and lively clues.
