Chris Lee : The Winner's Guide to Fantasy Baseball before purchasing it in order to gage whether or not it would be worth my time, and all praised The Winner's Guide to Fantasy Baseball:

4 of 4 people found the following review helpful. Improve Your Fantasy Baseball Management SkillsBy Fantasy Baseball GMThis is a great book for the serious fantasy baseball manager. The author gives you step by step instructions on how to create your own player value system. This system is especially helpful for leagues that have existed for a couple of years as it helps identify trends within the league. The book not only teaches you how to create

your own value system, but also teaches you how to prepare for draft day inflation, propose beneficial trades, and value minor leaguers. A must read for anyone serious about fantasy baseball! *** I chose not to use my real name for fear that people in my league would catch on to me.0 of 0 people found the following review helpful. A Roto-League GemBy Todd MoffettAn excellent step-by-step guide to preparing your own Roto-league player valuations in an Excel file, showing exactly how position scarcity should be handled, and a handy resource for handling in-season team management. If you're looking for a workable alternative to the orthodox SGP method, check this book out.2 of 2 people found the following review helpful. Simple yet instructiveBy afooteThis book was everything I looked for and expected. It was creative and deep thinking but also simply put in words that I could understand.Well worth the purchase price..

The Winner's Guide in Fantasy Baseball is the most comprehensive guide on the market to one of America's favorite hobbies. Where are the best websites to find fantasy baseball information? Which pre-season publications are worth your dollar? What should you look for in evaluating major and minor-league players? How do you value players for your league and adjust for draft inflation? How should you react when your league's draft isn't going your way? The Winner's Guide to Fantasy Baseball not only tackles these issues, but walks you through the "how's" and "why's" of each so that owners learn to think for themselves. If winning a league title is your ultimate goal, this book will help get you there.

About the AuthorChris Lee has played fantasy baseball for 19 years, winning several league titles in the process. Chris has both undergraduate and graduate degrees in business administration and currently teaches undergraduate economics at O'More College of Design in Franklin, Tennessee, where he also serves as Dean of Enrollment. Chris is the Senior Editor and Publisher of VandySports.com, the exclusive Vanderbilt site on the Rivals.com network, has also written for Southeastern Football Saturdays and ESPN.com's Campus Insider, and has done radio work as a college sports and baseball analyst for stations in South Carolina and Tennessee. He lives in Nashville, Tennessee with his wife, Lisa.
