By Customer
What can I say about Ibsen that is new and relevant? I guess perhaps a little info on my first learning of him in college. An older professor of english lit handed out the term's theme and said if you want to have a social conscious today you cannot do it without Ibsen's input. He covers VD, abuse, women's equal rights, pollution, life reevaluation, mob action, and failure to understand hidden consequences to one's action. And that is just in 3 of the books. Get past the sometime stilted language, try to make a mystery of where the book is heading and he WILL be on your top ten list of authors.....shu0

By mttpgnI was under the impression I would be receiving multiple plays of Ibsen in this one book. The book I received is only one play (Brand). Apparently "The Collected Works of Henrik Ibsen" is a series of 11 books, of which this book is only one volume. Each of the 11 volumes has one play. The item I received is Volume III: Brand. This was a surprise to me as a buyer. The description of this item and other reviews led me to believe I would be receiving 10 plays. For this reason I feel misled by the seller.
8 of 8 people found the following review helpful. The INCOMPLETE works of Henrik Ibsen
By A Kindler
word
What is there is good, with useful footnotes, but I am missing several of his best known plays, like Peer Gynt, Brand, The Wild Duck...When the book's title is "The Works of..." I expect all the works to be there. Otherwise the title should have been "Some Works of..." or words to that effect.

Contents: Hedda Gabler, Ghosts, An Enemy of the People, A Doll's House, The League of Youth, The Wild Duck, The Master Builder, Pillars of Society, Rosmersholm, Peer Gynt, and Brand.
