Fabienne Pavia : The World of Perfume before purchasing it in order to gage whether or not it would be worth my time, and all praised The World of Perfume:

23 of 25 people found the following review helpful. Nice intro, if you don't know anything about perfumes.By A CustomerThis is a decent, solid introduction to perfumes, covering history, ingredients, classifications, notes (from top to base), as well as photos of perfumes grouped by types (from floral to chypres). And it's not too expensive! Not for the serious perfume/scent/fragrance addict, though.
