Abi Daker : The World's Longest Dot-to-Dot Puzzle: New York before purchasing it in order to gage whether or not it would be worth my time, and all praised The World's Longest Dot-to-Dot Puzzle: New York:

2 of 2 people found the following review helpful. world traveling without TSA agentsBy Dan Potternew york city. what a fun place to be drawing 3000 dots. this book is fun and well quick on the last page. i enjoyed the reminder to always practice pedestrian safety. the tall buildings i recognized. overall the trip was just as fun as the jaunt through london earlier this summer. seriously these are quite fun. hey granny grab a couple of the grandkids you trust and let them help. fun for yourself and others. next stop for me paris. ah the tour cntinues0 of 0 people found the following review helpful. I like the productBy Brendafast service , I like the product.0 of 0 people found the following review helpful. Five StarsBy Chris FarsonWas a Gift

Start spreading the news the Big Apple comes in an expandable dot-to-dot puzzle! Stretch out the New York skyline and connect the dots from end to end. Color-coded numbers help you keep track of your position, and you'll build concentration and focus skills as the lines build depth and shading. When you're finished, you'll have a unique piece of art to display on your wall!

About the Author Abi Daker specializes in creating unique, hand rendered artwork for her clients. Her attention to detail and strong drawing technique means that her work is ideally suited to creating illustrated maps, panoramic cityscapes and perspective drawings. Previous commissions have included large scale graphics for inyl wall applications and window displays, a series of wine labels, and a variety of editorial and literary projects.
