**Todd Spoor : The World's Rarest Movie Posters** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The World's Rarest Movie Posters:

Over 283 color images of vintage movie posters include the extremely rare drive-in theater posters are featured along with the more common one-sheet size. These posters, often very different from the standard posters, were printed in smaller numbers, adding to their interest and value. Auction results from 1989-the present, and other pricing information make this a useful tool for collectors of posters who are trying to make informed purchasing decisions.
