It's very bright and vibrant. The pictures are stunning. The pictures include most of the princesses including Jasmine (and Aladdin), Ariel and Eric, Snow White, Tatiana, Belle and Beast, Cinderella and Sleeping Beauty. Other characters include Pinocchio, Mickey, Mowgli, Lion King, Lady and the Tramp, and lastly Peter Pan and Tinkerbell. It's AWESOME. Standard sized calendar. The pictures almost look 3D because they're layered art. I will love it all year long.14 of 15 people found the following review helpful. Beautiful Calender happy with itBy Jessica FrankeThis is the second Disney Dreams calendar I have Purchased. There are two designs in the calendar that were not in the previous if Your looking for the Aladdin Thomas Kinkade design or the Princess and the Frog Artwork. The 2016 Disney Dreams calendar is the one you want to purchase, the only downside is I think the 2015 (last years) calendar had a Sharper Image to the Photos.2 of 2 people

The only downside is that the pictures are always so similar. Seems they may remove 2-3 and replace with a new picture, but the others remain the same. So many Disney movies with fantastic scenes to choose from... I think it's time to change the rotation a bit. Other than that, simply beautiful and what a great price!
