From Billig Leslie : Three-Day Weekend Crosswords (Sunday Crosswords) before purchasing it in order to gage whether or not it would be worth my time, and all praised Three-Day Weekend Crosswords (Sunday Crosswords):

0 of 0 people found the following review helpful. Good and Accessible Mix of Puzzles By Big Daddy Some are pretty easy, others more challenging, and none where the puzzlemaker went overboard with obfuscation. I like these books because they're well constructed, large enough to easily read and fill in the squares (as long as they don't get gimmicky and expect me to put more than one letter in a square - I hate those.) I like to do mine in pen, and this paper does not bleed through like some of the cheaper books. Plus, every puzzle is themed. 0 of 0 people found the following review helpful. Billig is Unbeatable By Kathryn M. Young For me, there are no more delightful collections of crossword puzzles that those put together by Leslie Billig. I was terribly sorry to read of her death. There is such a strong sense of the editorial taste in these collections, with humor and inventiveness in every puzzle. Where does a dedicated puzzler go from here? 1 of 1 people found the following review helpful. Put on Your Thinking Cap ... Puzzles Ahead! By Marilyn Kivo I went through the entire collection of Leslie Billig's puzzles last year ... and I found them to be delightful. I'm

hoping that there will be more of this series available in the future. Not your usual crossword puzzles ... there is usually an unusual twist that makes them even more challenging. Anyone who enjoys puzzles won't be disappointed!

Put aside some spare time and enjoy solving some Sunday/weekend-sized puzzles!

About the Author About the Editor: LESLIE BILLIG is the author of Sit Solve Cryptograms and other crossword books. She has been editor of The Uptown Puzzle Club and Dell Crosswords Crosswords since 2001.
