Siegbert Tarrasch : Three Hundred Chess Games - 'Dreihundert Schachpartien' - English Language Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Three Hundred Chess Games - 'Dreihundert Schachpartien' - English Language Edition:

0 of 0 people found the following review helpful. Excellent edition of a classic By Simon C Browne Excellent edition

of a classic, true it may not contain all the biographical details of the original German book, but it was pleasant to play through the games. 1 of 3 people found the following review helpful. The first move of the first game...By Roald EulerI am surprised that no one has mentioned that the very first move in the very first game in this book, which was made by no less than a young Siegbert Tarrasch himself as white (vs a Herr Mendelsohn) is: 1.a3!2 of 4 people found the following review helpful. Five StarsBy maria roseoEverything he expected!! Loves the book

English language edition. This version of Grandmaster Siegbert Tarrasch's 'Three Hundred Chess Games' is one of the most helpful and instructive chess books ever published. The original German work, 'Dreihundert Schachpartien' was initially intended to be a well-annotated record of three hundred of Grandmaster Tarrasch's best games, but it quickly became a favorite textbook for chess teachers. As more and more copies were sold, the book was eventually recognized as a valuable middle game treatise. Chess players of all strengths can greatly increase their understanding of the game of chess by simply playing through and enjoying these masterful games. As a bonus, Dr. Tarrasch weaves a fascinating and witty autobiographical sketch as he lays out his brilliant system of chess play. The modern chess student will find a wealth of positional ideas, sharp tactics and elegant endings as he studies these exciting and original games. Tarrasch's easily understandable annotations show clearly why he was given the title, *praeceptor mundi* (teacher of the world). The book is highly entertaining and will lead to a greater understanding of chess by all who use it.

About the AuthorSol Schwarz (Translator of the English Language edition of Grandmaster Tarrasch's 'Dreihundert Schachpartien') is a native of Holland. He is an accomplished linguist and near master strength chess player. He has been an exceptionally generous patron to the chess world for the past twenty-five years. Mr. Schwarz is a long time resident of Dallas, Texas.
