Lewis Carroll : Through Looking Glass What a before purchasing it in order to gage whether or not it would be worth my time, and all praised Through Looking Glass What a:

Light yellow hardcover with silhouettes of chess pieces, has blue fabric spine and miniatures of the famous Sir John Tenniel illustrations. Book is undated however a cursory exam of Whittlesey House/McGraw-Hill reveals little activity past the early 1960s. First edition (NOP) , covers have light soil, but contents are tight, bright and clean, free of any internal markings or personalizations.
