**Barry Tashian : Ticket to Ride: The Extraordinary Diary of the Beatles Last Tour** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ticket to Ride: The Extraordinary Diary of the Beatles Last Tour:

1 of 1 people found the following review helpful. Ticket to Ride (with the Beatles on their last tour) By Stephen M Catchpole I really enjoyed this book. It is very brief with photos of ticket stubs and other memorabilia. There are comments from fans and journalist that travelled with the Beatles on that last tour of the USA in 1966. The actual diary kept by one of the support band members leaves a lot to be desired and does not really have any 'deep' reflections. However that said he was very young at the time like almost everyone on the trip and there are a few gems like him and George having a cigarette on the tarmac during a takeoff delay, not so much what is said but the mental imagery you have as you picture the situation. You get the feeling from the descriptions and press releases of the concerts of how it was. Lucky he kept the diary because it would be impossible to recollect small details after such a long time. All in all an enjoyable read and should be of interest to any Beatles fan. 0 of 0 people found the following review helpful. Five Stars By Tonybolt Great book. Inside look at the Beatles tours. You'll want to download the Remains album. 0 of 0 people found the following review helpful. Five Stars By John T. Koehler A tour perspective rarely shared.
