Other than that it's ok. 3 of 3 people found the following review helpful. Aloha By Tally Ho A great little book for those who love tiki. However the print is a little small which is a disadvantage. If you don't already have them, I would recommend the books Tiki Modern or Tiki Pop over this book, not because of the content, but because of the size and readability. 1 of 1 people found the following review helpful. Amazing Tiki Book!!! By Brittany Lauren Small book, but each page is gorgeous and filled with awesome facts and information. Perfect for any Tiki enthusiast. I like that this book is smaller in size. Very happy and would highly recommend.
