From imusti : Tim Walker Pictures (Alternative edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tim Walker Pictures (Alternative edition):

1 of 1 people found the following review helpful. Go ahead and get it. By Selene Nesbit A really lovely addition to any fashion or art lovers collection. Bought this as a gift and the receiver LOVED it!! Now I want one for myself. 0 of 1 people found the following review helpful. Five Stars By JanBeautiful

This is an alternative edition - slightly reduced in trim size but absolutely unabridged - of the 2008 classic, now out of print. This stunning new edition offers us a privileged glimpse into Walker's artistic process. It is a comprehensive overview that features a wide array of sketches, contact sheets, Polaroids, and source materials normally hidden within the photographer's studio. The evocative images are rich with textured nuance and intriguing details. Walker gives full reign to his playful side and intersperses collages among the photographs.

About the Author Tim Walker's photographs have entranced the readers of Vogue since the early 90's. Extravagant staging and romantic motifs characterize his unmistakable style. Born in England in 1970, Walker's earned a three-year BA honors degree at Exeter College of Art in 1994. He concentrated on portrait and documentary work for British newspapers and at the age of 25, shot his first fashion story for Vogue. His first major exhibition at the Design Museum London in 2008 coincided with the publication of Pictures. He continues to publish and exhibit widely and The Victoria Albert and National Portrait Gallery in London include Walker's photographs in their permanent collections.
