his signature fantastic style with some of the biggest names in fashion and contemporary culture. Walker is one of the most exciting photographers of our time, and his flamboyant style often tongue-in-cheek but always exquisitely executed places him in the line of brilliant eccentrics from Cecil Beaton to David LaChapelle. Showcasing 170 photographs through Walker's most recent work, the book features many A-listers in fashion and Hollywood, including Tilda Swinton, Helena Bonham Carter, and Alber Elbaz. The book includes a foreword by Kate Bush, an introduction by writer Robin Muir, and an afterword by Tim Walker. Praise for Tim Walker: Story Teller: A delight.
