**The Times Mind Games : Times Cryptic Crossword Book 13: 80 of the worlds most famous crossword puzzles (Times Crossword) (Bk. 13)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Times Cryptic Crossword Book 13: 80 of the worlds most famous crossword puzzles (Times Crossword) (Bk. 13):

1 of 1 people found the following review helpful. Come on The Times, You are letting the side down. By Kindle Customer I am a HUGE "The Times" crossword fan. Have been doing The Times crossword in the newspaper for many years, but since moving to the US, have had a problem getting the newspaper. I tried then New York Times, but they cheat. I mean, putting ampersands in a crossword or two letters to a square is just not on. So, have bought Times Crossword Books online since. Anyway, I opened my new book ready to do the first crossword, and decided to read the beginner's guide, and discovered, that any poor beginner would be confused to say the least. Why? Because the clues do not match the grid. 1A "After wrong cut, lad's lack looking embarrassed (7)" well, the grid only has space for 6 letters. They have put the wrong clues for the grid shown. This would be a minor issue for seasoned crossworders, but this needs to be fixed. 3 of 3 people found the following review helpful. The first grid is wrong! By bootsmcgee I open up the book, and the first crossword is a 'beginners' crossword, i.e. they give you the answers on the next page with notes to show you how the clues work. However, the grid is wrong, making it entirely useless! When I say wrong, I mean, for 1-across the clue is for a 7-letter word, but there are only 6 spaces in the grid, and 14-across doesn't even exist on the grid! I assume this is a printing error but it is very disappointing! The rest of the regular puzzles seem to be ok so far but I haven't checked them all. 1 of 1 people found the following review helpful. Forget the instructions By F. Latham The first puzzle instructing how to solve the puzzles is completely wrong for the clues. The number spaces do not match. A pretty glaring error. The book is the right size for travel, however the pages are of cheap paper like newsprint and messy if erasing. I would not buy it again.

The Times Crossword is the most famous crossword in the world. Tease your brain with this superb collection of puzzles which have been compiled by the Editor of The Times Crossword to test your word power skills. This collection of 80 cryptic puzzles will test your word power to its full.
