The Times Mind Games : Times Cryptic Crossword Book 15: 80 of the worlds most famous crossword puzzles before purchasing it in order to gage whether or not it would be worth my time, and all praised Times Cryptic Crossword Book 15: 80 of the worlds most famous crossword puzzles:

2 of 3 people found the following review helpful. Challenging but rewardingBy Veronica FalcaoIf you don't already know what cryptic crosswords are, read about them first. If you already know you like cryptic crosswords, then you

might appreciate the ramped-up challenge level of these cryptics. It's particularly challenging for Americans in that these books are from England and have about 5% British cultural references, British spelling, and British idioms. We struggled with the first few, but after that, we really came to enjoy them tremendously. The best part is that the supply is seemingly inexhaustible. 0 of 0 people found the following review helpful. Too hard for my old brain. But I occasionally ...By mystery lover Too hard for my old brain. But I occasionally go back and try again. It's so worth it when you solve! 0 of 1 people found the following review helpful. My Fault By Robert L. Whitaker Sitting around one day I thought to look on my smart phone to see if any new Acrostic books had been published or if any new ones were available on . (Come to think, it may have been an email from asking if I was interested in these). Anyway, without thinking, I saw the title of this and somehow thought it was a new book of Acrostics, and from the New York Times. Well, I was quite surprised to open it up and realize that these are a horse of a different color from Acrostics. I'm sure there are folks who relish these puzzles, but I simply don't have the ability to decode these ... I couldn't even follow the introductory example, and that's probably because I'm not a Brit and most of the clues involve an intimate knowledge of UK culture and dialect.

The Times Crossword is the most famous in the world. Test your wordpower with this classic collection of 80 cryptic puzzles compiled by the Editor of The Times Crossword.
