0 of 0 people found the following review helpful. Five StarsBy Richard W. LambGreat collection, none of these puzzles boring or predictable.0 of 0 people found the following review helpful. Frustrating....yet in a fun sort of way!By Todd LevineVery challenging puzzles in this edition. Being American, I found that they have a more complex twist because they have a British orientation.0 of 0 people found the following review helpful. you don't have to be crazy but it helps...By rudi c wycliffethe london times is the quintissential cryptic puzzle and this volume is no exception. for anyone who is into this genre, you cannot do better than the times cryptic. drives me crazy...
