cryptic crosswords; but, unless you've spent a considerable amount of time in the U.K., the London Times Cryptic Crosswords are not very "do-able" for Americans. What made these cryptic crosswords mostly (but not completely) unenjoyable for me, an American, are: 1) The differences in word spellings between British and American English. 2) The considerable number of clues that require intimate knowledge of local place settings in U.K. 3) Idiomatic words peculiar to the Brits. 4) Vernacular phrases with which only the solvers in the U.K. could be familiar. 5) The significant number of clues concerning cricket, an obscure/little-known sport in America. Having said the above, I will add... If you want a truly erudite and extraordinary challenge to your mental capacity, give these London Times cryptic crossword puzzles a chance. But don't expect to solve any of them without taking peeks at the answers. If you're an Anglophile, the upside will be that you'll learn a delightful lot about the mind set of our friends across the pond. 0 of 0 people found the following review helpful.) But I enjoy the challenge. By detroitertoo difficult for this American. :) But I enjoy the challenge. 0 of 0 people found the following review helpful. But I don't think the Times are as good as the Telegraph. By Baker mom But I don't think the Times are as good as the Telegraph. The times tries too hard to be cute.
