like you would find in an official guide for a game). Instead we received a guide that was very small and gave very basic how to's that you learn from the tutorial of the game. See photos for example of what this book is. 1 of 1 people found the following review helpful. This is a terrible game guide By Jesse W. This is a terrible game guide. It is extremely short (29 pages, and actually starts on page 5), and basically points out the obvious. It even states in a few spots, "This might seem obvious, but....". Also, this was literally copied from the ebook. On one page it literally says, "click here...". This is just a blatant cash grab. This is about 15-20 page book, that really lacks information needed to excel in the game. BUT, if you've never played a game like this, and you have no idea what is going on, this might help you out a bit. 0 of 0 people found the following review helpful. One Star By Deacon Cheap....
