**Tommy Lee : Tommyland** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tommyland:

6 of 6 people found the following review helpful. Was disappointed in thisBy Kathy88I am huge fan of Motley Crue and of Tommy Lee as a drummer. Was disappointed in this. If you know him then you already know that a certain part of his anatomy has been a major part of his life and don't need him talking from his \*\*\*\*'s point of view. Would rather he just talk honestly about his relationships.0 of 0 people found the following review helpful. Just thoughts, man, just

thoughtsBy SyreneFirst of all that is a straight five-star read. Why? Because those are just one person's thoughts on the life he's lived, and other stuff. Makes sense to either agree or disagree. It's all in the disclaimer, so just give it a quick look before either committing to the story, or walking away.I do have a habit of judging books by either the aftertaste they leave, or the amount of fun I had while reading them. This is by far one of the most fun reads, and I it's amazing, because there are no underdeveloped characters, most of the events are surreal, and overall it was a read worth spending 2 days on (and some bucks).So, if you decide to read it, get used to the fact that sometimes you would think "there it is, you said it, so true", and sometimes you would shake your head no, but you might learn something.It's also partly a more simple, not overdramatic look at the same events from the Dirt, and Heroin Diaries. Anyway, apparently it's time to move on to next autobiography).1 of 1 people found the following review helpful. FANBy Rebecca CumbeeLoved this book; HUGE fan. Have been since about the age of 12.

Now in paperback, the New York Times bestseller in which rock and roll's most notorious bad boy bares it all and boy is there a lot to bare! I am Tommy Lee, born Thomas Lee Bass in Athens, Greece, on October 3, 1962, and raised in a suburb of California by an American father and a Greek mother. At seventeen, I joined Mötley Crüe and we became one of the baddest-ass rock bands in history. We sold over 40 million albums, we wreaked havoc, we scared parents, and we titillated too many fathers' daughters. I've been married three times: once for just a few days to a Penthouse Pet, for seven years to Heather Locklear, and then for five years to Pamela Anderson, with whom I have two beautiful sons. I've gotten into a lot of fights and I've been to jail a few times. But this book isn't your typical journey in a straight line from day one to day now. I'm more interested in revealing what's most important about my life, like how I cook my steaks; what I think of the tabloids, the truth, my ex-wives, my ex-band, my music; and what an innocent observer might find hanging around my house any given Sunday. You'll get plenty of facts and I'll tell you a story, but my real mission here is to paint you a picture of my life. I want to show you how my memories smell. I'd like to get into it now, so please take your seats. I advise you to keep your arms and legs inside the car at all times. If you have a pacemaker, a heart condition, or if you are pregnant or too damn short to reach the safety bar, I ask that you turn back immediately. Those with weak stomachs, strict morals, or chronic indigestion should put the book down now. For the rest of you, there's one truth that's real across the board: What you send out is what you get back. Send out the good, people, and it will come back to you. There's another thing I've learned over the years, in court, in fights, and in arguments with people I love: There isn't one truth, there are many. This book is my truth.

"The pages vibrate with Lee's crazy energy." -- Entertainment Weekly "As good as the gold in Goldschlager." -- Time "A compelling yet obscene personal treatise, on fame and the insanity of our celebrity-crazed culture." -- The Washington Post "Deliciously dirty." -- Glamour About the Author Tommy Lee was born in Athens, Greece, and moved with his family to California at the age of one. In his musical career he is famous for being the wild drummer of one of the most successful and outrageous bands of the 1980s. A master showman, Lee's antics included performing onstage with a revolving drum kit. Since Mötley Crüe, he has devoted himself to the rap-metal act Methods of Mayhem, on which he collaborated with programming expert Scott Humphrey and rapper TiLo. Lee's last album, a more traditional hard-rock collection, Never a Dull Moment, was released in 2002. He lives in Los Angeles. Visit his website at [www.tommylee.tv](http://www.tommylee.tv). Anthony Bozza is a former Rolling Stone staff writer and author of the New York Times bestsellers Whatever You Say I Am: The Life and Times of Eminem, Tommyland with Tommy Lee, Slash with Slash, and of course, Too Fat to Fish with Artie Lange. He lives in New York City. Visit [AnthonyBozza.net](http://AnthonyBozza.net)
