Eddie Kantar : Topics in Declarer Play at Bridge before purchasing it in order to gauge whether or not it would be worth my time, and all praised Topics in Declarer Play at Bridge:

0 of 0 people found the following review helpful. Thanks EddieBy CustomerThis book is a good study aid. Kantar's sense of humor keeps me working even when the problems are past my knowledge.0 of 0 people found the following review helpful. Bought for bridge master friend... he states this series is excellentBy Rich GBought for bridge master friend... he states this series is excellent0 of 0 people found the following review helpful. Declarer play improved dramaticallyBy Al CookNot a lot of different topics, but those covered were vital and well done. I recommend this book to any player, especially those who have developed bad playing habits. If you read this book it will improve your play.

Kantar's two-book series on Bridge Defense (Modern Bridge Defense and Advanced Bridge Defense) won an ABTA Book of the Year Award in 1999. This newer book addresses a more popular topic, using a similar approach. While not a comprehensive treatment of declarer play at bridge, this book deals with specific topics exhaustively, and will be

invaluable to the improving player: finesses (when and how to take them, and equally importantly, when to avoid taking them), endplays, eliminations, issues with entries, suit establishment, and counting. Designed to be used by bridge teachers, or by students learning on their own, this book like its predecessors contains a host of features that help the student to grasp the material: clearly laid-out concepts, margin notes, practice hands, chapter-end quizzes, key-point summaries at regular intervals, and an index. Kantar's various beginner books have sold hundreds of thousands of copies, not least because of his unique writing style and the humor that he introduces into the learning process.

Eddie Kantar Eddie Kantar (Santa Monica, CA) is one of the most popular and prolific bridge writers in the world. A winner of two World Championships, and a member of the Bridge Hall of Fame, his many books include *Modern Bridge Defense*, *Advanced Bridge Defense*, the hilarious *Kantar on Kontract*, and of course, *Roman Keycard Blackwood*. His work appears regularly in many bridge magazines around the world.
