Torches Pitchforks is the exciting card game of monster movie mayhem! Your townsfolk have suffered attacks for years but they're not going to take it anymore. Those creepy monsters have haunted the moors long enough and now it's time for you and your mob to do something about it! Arm your townsfolk, fight off the monsters, and don't let those other mobs steal any of your glory. Torches Pitchforks, from Green Ronin Publishing, is the card game that's easy to learn and fun to play. Fight the monster menace today!
