5 of 6 people found the following review helpful. Full Of Mistakes pluss a pokemon advertisementBy LibertyViennaThis book spells the simplest of names wrong and labels Agumon as Gabumon. Its as if it was written by someone whos never even seen the show. Plus on one of the pages there is an advertisement for pokemon! ick much.7 of 9 people found the following review helpful. DO NOT GET THIS BOOK!By A CustomerEven though I am a Digimon fan, there is TOO MANY MISTAKES in this book!If you want a good Digimon guide get the official digimon character guide. There is mistakes in that one was well, but only a little.1 of 6 people found the following

review helpful. ReviewBy A CustomerThis is a pretty good book with a lot of information, if you watch digimon, collect any of the card game, you should find this book pretty interesting. It would help if it had more info about the ty show.
