Shirley Dee : Trivial Pursuit Questions Music Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Trivial Pursuit Questions Music Edition:

Trivial Pursuit Questions Music Edition In compiling this edition, we have tried to create a challenging but

entertaining set of questions that can be played with any Trivial Pursuit game board. Simply use the colour coding for the questions as listed in the book to match the colours of the wedges and the board. During our test runs we had a great deal of fun and there was much laughter particularly during the lyrics questions. Because it is unusual to find individuals equipped with the range of knowledge to cover every category, we found it best to play this game in teams. That way knowledge can be pooled and the competition is much more entertaining. As with the original Trivial Pursuit game we also found it helped if a few clues were allowed. We limited this to non-wedge questions and that seemed to be very fair. If you do not have a Trivial Pursuit set you can download a free scorecard from our website at: www.triviamundi.co.uk. Enjoy!
